BRIEF ABSTRACT OF LETTER.

2. The grant of Devadaya Inams for Govt: Muzrai Institutions, may be regarded as a public purpose. There are precedents to support this view. The Muzrai Institutions do not possess occupancy rights in the Devadaya Inams granted for their up-keep, and Govt have a lien on the land & can resume them on failure of service. So. there seems to be no objection to the acquisition of the land in the present case under the L. A. Regn. if the Matha is a Muzrai Institution. Referred to B.R.VII for favour of opinion.

2. The estimated yield of the land seems to be rather high, and it would be more in the interest of the Mutt if the amount now available be invested in the Government Savings Bank at the prevailing rate of interest.

PASS BOOK No. 6043

WD 01867--GPB—1,100—28 2-21

Pass Book and its Importance.

A Pass-book will be supplied to each Depositor. The Treasury Officer will acknowledge in it every deposit made and will enter in it every withdrawal made by the Depositor. No deposit will be received or payment made from an account without the Depositor's Pass-book being presented by the Depositor either in person or by a messenger and the Government will not be responsible for any deposit the receipt of which is not acknowledged in the Pass-book. Depositors or their messengers should carefully examine their Pass-books before leaving the office, and ascertain that the entries are correct. They should also be careful to keep their Pass-books in their own possession, as Government does not accept responsibility for any loss caused to a Depositor, if, through his negligence, any person shall obtain possession of the book and fraudulently obtain the payment of any sum belonging to the Depositor.

Interest due for each year will be added to the balance of each account at the end of the year. Depositors should present their Pass-books as soon as possible after the issue of the notification in the *Mysore Gazette* in order that the necessary entries may be made in them. If the Pass-book be not presented for this purpose, the entry will be made on the next occasion when a deposit is made or when money is withdrawn.

There will be three rates of interest, namely,

(1) Three and one-eighth per cent per annum allowed on monthly minimum balances.

(2) Four per cent on the minimum balance kept in deposit for six months or more but less than one year.

(3) Five per cent per annum on deposits which are kept for one whole financial year.

NOTE.—Depositors are not required to bind themselves to keep their balances for definite periods for earning the higher rates of interest.

NOTIFICATION BY THE GOVT. OF MYSORE.

FINANCIAL DEPARTMENT.

Extracts from Govt. Notification No. 7361—G. F. 232-16-1, the 26th May 1917.

HOURS OF BUSINESS.

Every Savings Bank is open for business every day between the hours of noon and 4 P. M., Sundays and holidays excepted.

PERSONS WHO MAY DEPOSIT MONEY.

2. Any person may deposit money in a Government Savings-Bank (*a*) on his own behalf, or (*b*) on behalf of any minor relative, or (*c*) on behalf of any minor of whom he is the guardian.

LIMITATIONS AS TO OPENING ACCOUNTS AND MAKING DEPOSITS.

3. Any person may open an account in his own name, but may not have more than one such account open.

4. No account will be opened for less than four annas and the smallest sum of money that can be deposited at any time is four annas; and no sum can be deposited that includes a fraction of an anna.

Powers to withdraw Money and Limitations as to Withdrawals.

5. A Depositor may withdraw money from his account only once a week. By the term "week" is meant the period from Monday to Saturday, both days inclusive. A Depositor may, therefore, withdraw money from his account on Saturday and again on the following Monday.

6. A Depositor may not withdraw a smaller sum than four annas, and he may not withdraw any sum which includes a fraction of an anna unless it be to close his account, in which case he may withdraw the whole balance at his credit.

How to open an Account.

7. Any person wishing to open an account should apply to the nearest Mysore Savings Bank. Application need not necessarily be made in person; but the applicant must fill up in a clear hand an Index card.

Form of Declaration to be signed by Depositor on making first Deposit.

"I hereby declare that the Mysore Savings Bank Rules have been read $\left\{\frac{\text{him}}{\text{to me}}\right\}$ and that I accept them as binding upon me.

"I further declare that I have no account opened by me on my own behalf at any Mysore Savings Bank."

"I have opened this account with a first deposit of Rs. (in words) ....and have received a Pass-book in which this sum is acknowledged."

Woman's Account.

8. If the person wishing to open an account is a woman, not accustomed to appear in public, her husband or agent may transact business on her behalf; but before an account can be opened on behalf of a woman, her hus-

band or agent must produce a letter authorising him to do so, signed by her or bearing her thumb mark attested by a witness known to the Treasury Officer to be trustworthy.

MODE OF DEPOSITING MONEY AFTER AN ACCOUNT HAS BEEN OPENED.

9. A Depositor may deposit money at the Savings Bank at which his account stands as often as he wishes, by tendering it with his Pass-book and a challan either personally or by a messenger.

MODE OF WITHDRAWING MONEY.

10. To withdraw money, a Depositor is required to present or send his Pass-book with an application for withdrawal duly filled in and signed; if he does not present himself at the treasury for the payment, the name of his agent or messenger should be entered at foot of the form, and the signature of the agent or messenger should be placed beneath this entry. The application may be written in English or Kannada at the option of the Depositor. If a Depositor is unable to write, he should be required to attend at the treasury personally, if possible, and affix his thumb mark or seal to the application; should he be unable to attend personally he may send his Pass-book with the application bearing his thumb mark or seal, duly attested by a witness of known respectability.

TRANSFER OF ACCOUNTS.

11. A Depositor may have his account transferred, free of charge, from any Mysore Savings Bank to any other Mysore Savings Bank. *provided that the account shall have been in existence in the particular Savings Bank for three months previous to the transfer.* If he should wish to transfer his account, he must present his Pass-book personally, or send it to the treasury, and must in either case make a written application for transfer. The Pass-book will be retained by the Treasury and a receipt will be granted for it showing the balance at credit of the account

on the date of the transfer and the treasury to which it is transferred. The Depositor should present the receipt as soon as possible at the treasury to which his account has been transferred, with a specimen of his signature, when the latter will give him the Pass-book showing the amount at his credit.

Dead Accounts.

12. Accounts in respect of which no transactions have taken place for the period specified below will be treated as "Dead" and no subsequent deposit or withdrawal will be allowed in the case of such accounts without the previous orders of the Comptroller:—

When the balance of the account does	and when no sum has been deposited or withdrawn and no interest added for
not exceed Rs. 10	3 complete account years.
do ,, 100....	6 do
exceeds ,, 100....	12 do

NOTE 1.—By "transaction" in this rule is meant not only a deposit or withdrawal, but also the presentation of the Pass-book for the entry of interest.

NOTE 2.—A dead account does not lapse to Government, but may be re-opened at any time on the application of the Depositor, and the interest that has accumulated will be added to the principal when the account is revived.

Rules regarding Nomination to Savings Banks Accounts.

(1) A Depositor (not being under legal disability to act) desiring to make a nomination shall do so in writing before the Treasury Officer.

(2) Nomination shall be allowable of more than one person jointly, or of such persons severally for different shares, provided, in the latter case, that the share of each nominee is definitely described in the application made to the Treasury Officer.

(3) The nomination will be in force until revoked by the Depositor.

(4) The Depositor may, at any time, revoke the nomination.

(5) If the nominee or one of a number of joint nominees dies during the lifetime of the Depositor the nomination will become void. The death of a nominee with independent shares under clause 2, shall render only his nomination void. The interest in the account for which a nomination has become void shall accrue to the Depositor and his heirs.

(6) A nomination may also be set aside by a Will but Treasury Officers will only recognise Wills proved before a Court of Law.

DECEASE, MARRIAGE, MINORITY AND LUNACY OF DEPOSITORS.

The disposal of the balance in the accounts of deceased persons, married woman, minors and lunatics is provided for by Act V of 1873 (Printed *in extenso* in the Pass-Book.)

Declaration to be signed by Depositor.

I have read these Rules (or—if he cannot read—that these Rules have been read to me); and I declare that I at present hold no other Savings Bank Account in any Treasury in the State.
